• Greens, beet and fennel with goat cheese and chia seeds

Vegetarian ⊕ Round the Clock ➡ Pork

OVEN FRESH

Our Flatbread dough needs 36 hours to be prepared. 21 days of mother start up is required. On the 21st Day, the flavor comes in and then a leavened dough is made and mixed with yeast, flour, water and salt, it is then kneaded with hands. That's why every bite of the flatbread leaves a sweet taste behind!

Caprese Cherry tomatoes and boccocini	500
 Quinoa and Hummus Tostada 	440
